## Perform in Paradise

Fiji, blessed with 333 magnificent islands, some inhabited, some not, is a land where there is still plenty of room to move. Set in the tropical South Pacific, Fiji is surely the essence of a tropical island paradise. White sandy beaches, swaying coconut trees, pristine oceans and waterways make this an ideal setting for your performance tour.

Fiji will see your ensemble perform in a host of venues and enjoy intimate school exchanges and shared performances. Perform in stunning natural amphitheatres as the sun seats on a tropical paradise to warm and appreciative audiences.

*"The performance program and organisation afforded to us by PA was second to none. The staff were a great set of people all of whom were very helpful and saw to all our needs and requests. Thanks to this the whole trip went off without a hitch".*
